RE: Amendments for Unum Optional Term and Optional Universal Life Insurance

Please find attached a Non-Competitive Amendment request to extend the terms for both of these contracts signed by Commissioner Goetz. The original term extension language was included in both of these documents. The extensions reflect negotiated terms that are in the State's best interests. The amendments are both slated to take effect July 1, 2008.

The base contracts are included as are drafts of the amendments created to address the revised negotiated insurance premium rates and term extensions. For the optional universal life insurance the premium rates are maintained from the prior year and for the optional term life insurance the rates are reduced by 9% from the prior year.

Thank you for your consideration of this request.

- E.4.1 Employees employed on and after June 1, 2005 may enroll within a full calendar month of the first day of work on a guaranteed issue and maximum issue basis. Coverage shall become effective on the first day of the month following three full months of employment.
- E.4.2 During the State's Annual Enrollment/Transfer Period (generally between October 15 and November 15 of each year), employees may qualify to participate in the Plan or to increase amounts of coverage by demonstrating insurability through the response to health questions. Coverage shall become effective the first of January, February or March of the following year. Employees may also elect to decrease the face amount.
- E.4.3 Each year, beginning January 1, current participants may increase the face amount of their coverage by up to \$5,000 if that action will not exceed the guarantee issue amount or the combined maximum coverage amount for the Optional Term and Optional Universal life insurance.
- E.5 Upon termination of this Contract, the Contractor shall provide an indication of the amount of insurance maintained by individual participants, the accumulated cash value and other pertinent data to the State or its designated agent. The information shall be furnished on an electronic data processing tape or such other data processing format as is compatible with the data processing system maintained by the State as described in the RFP. Additionally, the Contractor shall provide all information necessary to properly interpret the data supplied. To insure the continuous operation of the program and upon 30 days notice, this information shall be provided to the State or its designated agent at least 45 days prior to the

termination date of this Contract; further, the State may require the Contractor to provide this information at various other times prior to or after the termination date of this Contract. It shall be the responsibility of the Contractor to process all claims delivered to it on or before the termination of this Contract. No compensation, beyond that specified in this Contract, shall be paid for completion of this task as it is recognized to be part of the Administrator's responsibilities.

- E.6 Upon termination of this Contract, the Contractor agrees to transfer to the State, or a party designated by the State – in up to twelve (12) successive monthly installments, payable on the first day of the month – all sums accumulated by the Contractor on behalf of participants in accordance with the provisions of this Contract and the group policy. Such transfers will be designated transfers under Internal Revenue Code 1035. Cost basis in existing policies will be transferred to new policies.

The first installment of the transfer payments shall take place on the first day of the successor contract. During the period that cash values remain with the Contractor, at the end of each month, the accumulated cash values will be credited interest at the rate of four and one half percent (4.5%).

- E.6.1 Notwithstanding the above, if the successor Contractor is the incumbent Contractor, all cash values will remain with the Contractor, and the interest crediting provision of the successor contract shall apply at the effective date of the new contract.
- E.7 The contractor shall forego any surrender charges in the event of a transfer of the universal life insurance to another carrier or in the event of termination of the coverage.
- E.8 The Contractor and the State shall permit participants in the State sponsored Permaplan coverage to roll over into the universal life insurance coverage. In the event of a participant rollover, the Contractor shall credit (amount) years of participation toward the surrender charges.
- E.9 For the purpose of determining eligibility for coverage, upon each election, the Governor, Members of the General Assembly, State Judges, District Attorneys, Public Defenders, the State Treasurer, the Comptroller, and the Secretary of State shall be considered newly eligible employees.
- E.10 Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Contract shall be in writing and shall be made by facsimile transmission, by overnight courier service, or by first class mail, postage prepaid, addressed to the respective party at the appropriate facsimile number or address as set forth below or to such other party, facsimile number, or address as may be hereafter specified by written notice.

- E.11 Breach. A party shall be deemed to have breached the Contract if any of the following occurs:
- failure to perform in accordance with any term or provision of the Contract;
 - partial performance of any term or provision of the Contract;
 - any act prohibited or restricted by the Contract, or
 - violation of any warranty.

For purposes of this contract, these items shall hereinafter be referred to as a "Breach."

a. Contractor Breach— The State shall notify Contractor in writing of a Breach.

(1) In event of a Breach by Contractor, the state shall have available the remedy of Actual Damages and any other remedy available at law or equity.

(2) Partial Default— In the event of a Breach, the State may declare a Partial Default. In which case, the State shall provide the Contractor written notice of: (1) the date which Contractor shall terminate providing the service associated with the Breach; and (2) the date the State will begin to provide the service associated with the Breach. Notwithstanding the foregoing, the State may revise the time periods contained in the notice written to the Contractor.

In the event the State declares a Partial Default, the State may withhold, together with any other damages associated with the Breach, from the amounts due the Contractor the greater of: (1) amounts which would be paid the Contractor to provide the defaulted service; or (2) the cost to the State of providing the defaulted service, whether said service is provided by the State or a third party. To determine the amount the Contractor is being paid for any particular service, the Department shall be entitled to receive within five (5) days any requested material from Contractor. The State shall make the final and binding determination of said amount.

The State may assess Liquidated Damages against the Contractor for any failure to perform which ultimately results in a Partial Default with said Liquidated Damages to cease when said Partial Default is effective. Upon Partial Default, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount. Contractor agrees to cooperate fully with the State in the event a Partial Default is taken.

(3) Contract Termination— In the event of a Breach, the State may terminate the Contract immediately or in stages. The Contractor shall be notified of the termination in writing by the State. Said notice shall hereinafter be referred to as Termination Notice. The Termination Notice may specify either that the termination is to be effective immediately, on a date certain in the future, or that the Contractor shall cease operations under this Contract in stages. In the event of a termination, the State may withhold any amounts which may be due Contractor without waiver of any other remedy or damages available to the State at law or at equity. The Contractor shall be liable to the State for any and all damages incurred by the State and any and all expenses incurred by the State which exceed the amount the State would have paid Contractor under this Contract. Contractor agrees to cooperate with the State in the event of a Contract Termination or Partial Takeover.

b. State Breach— In the event of a Breach of contract by the State, the Contractor shall notify the State in writing within 30 days of any Breach of contract by the State. Said notice shall contain a description of the Breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the State's Breach. In no event shall any Breach on the part of the State excuse the Contractor from full performance under this Contract. In the event of Breach by the State, the Contractor may avail itself of any remedy at law in the forum with appropriate jurisdiction; provided, however, failure by the Contractor to give the State written notice and opportunity to cure as described herein operates as a waiver of the State's Breach. Failure by the Contractor to file a claim before the appropriate forum in Tennessee with jurisdiction to hear such claim within one (1) year of the written notice of Breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties this provision establishes a contractual period of limitations for any claim brought by the Contractor.

E.12 Incorporation of Additional Documents. Included in this Contract by reference are the following documents:

- a. The Contract document and its attachments
- b. The Group Master Policy
- c. All Clarifications and addenda made to the Contractor's Proposal
- d. Amendment 1 to Request for Proposals #317.86-029
- e. Request for Proposal #317.86-029

- f. Technical Specifications provided to the Contractor
- g. The Contractor's Proposal in Response to RFP #317.86-029

In the event of a discrepancy or ambiguity regarding the Contractor's duties, responsibilities, and performance under this Contract, these documents shall govern in order of precedence detailed above.

- E.13 Confidentiality of Records. Strict standards of confidentiality of records shall be maintained in accordance with the law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with State law and ethical standards.

The Contractor will be deemed to have satisfied its obligations under this section by exercising the same level of care to preserve the confidentiality of the State's information as the Contractor exercises to protect its own confidential information so long as such standard of care does not violate the applicable provisions of the first paragraph of this section.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

- E.14 Date/Time Hold Harmless. As required by **Tennessee Code Annotated**, Section 12-4-118, the contractor shall hold harmless and indemnify the State of Tennessee; its officers and employees; and any agency or political subdivision of the State for any breach of contract caused directly or indirectly by the failure of computer software or any device containing a computer processor to accurately or properly recognize, calculate, display, sort or otherwise process dates or times.
- E.15 Tennessee Consolidated Retirement System. The Contractor acknowledges and understands that, subject to statutory exceptions contained in **Tennessee Code Annotated**, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System, provides that if a retired member returns to State employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor may be required to repay to the Tennessee Consolidated Retirement System the amount of retirement benefits the Contractor received from the Retirement System during the period of this Contract.
- E.16 Debarment and Suspension. The Contractor certifies, to the best of its knowledge and belief, that it and its principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal or State department or agency;
 - b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining attempting to obtain, or performing a public (Federal, State, or Local) transaction or grant under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
 - c. are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or Local) with commission of any of the offenses detailed in section b. of this certification; and
